A NOTE FROM OUR ARTISTIC DIRECTOR

Welcome to our inaugural season

For so long, GraceNote Collective lived only as a vision — a hope that gospel music could bring together singers of every faith walk and background into one shared sound. Standing before you now, watching that vision become real in our inaugural season, is nothing short of a blessing.

This is only the beginning. With every voice and new supporter that joins us, we lay the foundation for all the seasons to come, and we are so glad you're here at the start of it. Thank you for sharing in these early moments with us.
